Dear FSE Families,

Welcome back! I trust you had an enjoyable break and hope you were able to take some time to spend with friends and family to celebrate the spirit of the season.

### **Feedback Wanted! Re: School Fees 2023-24**

As per Alberta Education's School Fee Regulation, schools are required to consult with and request feedback from parents/guardians each year, prior to setting fees for the upcoming school year.

In preparation for planning for our 2023-24 school year, I will be sharing our current fee structure at our January School Council meeting on Wednesday, January 25 at 5:30 p.m., and asking for your feedback. I understand not all families are able to attend, however, my intention is to get as much input from our families as possible. Should you not be able to attend the meeting I would encourage you to forward me your thoughts via email at [Shelby.labrecque@eips.ca](mailto:Shelby.labrecque@eips.ca).

Thank you in advance for your input and the opportunity to work collaboratively together!

### **School Council & Parent Society**

**SAVE THE DATE! Wednesday, January 25 at 5:30 p.m.** is our next School Council and Parent Society meeting at our school! All parents/guardians welcome!

## Returning Student Registration for 2023-24

Elk Island Public Schools (EIPS) will once again conduct an online returning student registration process to confirm student registrations for the 2023-24 school year. **Families of all current students—with the exception of graduating Grade 12 students—must complete the process to confirm the school their child plans to attend in the 2023-24 school year or advise the Division of their plans not to return to EIPS.**

**Additionally, students who want to attend a non-designated school need to make that request through the returning student registration process—acceptance is based on available space.** The 2023-24 returning student registration takes place Feb. 1-28, 2023.

Access to the Returning Student Registration Form is provided through the PowerSchool Parent Portal. If you don't have a PowerSchool Parent Portal account, you need to set one up **before** Feb. 1, 2023. Create a PowerSchool Parent Portal account

For more information, contact the school office at 780-998-7771.

## Caregiver Series

Alberta Health Services offers free online programming for parents and caregivers of children and youth. These free sessions are using the Zoom platform. Upcoming topics include understanding anxiety and sleep and your family's mental health. For more information, visit [cyfcaregivereducation.ca/home](https://cyfcaregivereducation.ca/home).

## Parking Lot Traffic Safety

We all know that before and after school can be very busy in our school parking lot. Keeping the safety of all in mind, we strongly encourage families to abide by traffic rules to ensure pick up and drop off times are both safe and efficient, in keeping the flow of the parking lot moving.

Thank you to all our families who support keeping our entire school community safe and sound!
